

Welcome to the Lancaster Canal Towpath Troll Trail! Between Millness Car Park and Stainton there are ten tremendous trolls hanging out by the canal towpath. Can you find them all I wonder? Each troll has different colourful dungarees on, that will help you spot them! Remember... trolls love bridges! Now turn over and mark off as many trolls as you can find! To collect some free Troll stickers, take your sheet to Crooklands Hotel...

BONUS TROLL!
If you still have energy left, why don't you go and see the secret tunnel at Hincaster and try and spot one more tremendous troll. When the Towpath Trail meets the road, turn left and walk under the underpass then turn right to find the Towpath Trail again and Hincaster Tunnel!

Can you spot where the former tramway bridge that connected Gatebeck Gunpowder works to the canal & the railway at Milnthorpe was? Bridge 166 is an old Turnpike bridge!

Please share your pics on social media and tag @lancastercanaltowpathtrail

Stainton is approximately 1 Hours walk

N.B. This trail is on a newly laid accessible, flat surface. It is bike, pram and wheelchair friendly, so please be aware that lots of types of path users will be along the trail today. Please accompany children at all times around the canal as there may be deep water and slippery surfaces.

Troll 1

Troll 2

Tick each Troll when you spot them. You can draw a picture of their pattern too if you like! Each pattern is based on a traditional narrow boat design, explore the northern part of the Lancaster canal to spot some examples!

Troll 3

Troll 4

Troll 5

Troll 6

Troll 7

Troll 8

Troll 9

Troll 10

Have you noticed our Troll's little friends? See if you can spot a frog and mouse on each troll. There is so much amazing wildlife along the canal - Let us know what else you spot!

Bonus Troll

Your Design...

If you've enjoyed the Troll Trail today, check out more of the Towpath Trail! There are ten loop walks on our website; most are flat and easy for kids. Check out lancastercanaltowpathtrail.co.uk for more information.
